

SUPPLEMENTAL DECLARATION FOR AMENDMENT
PRESENTING CLAIMS FOR MATTER DISCLOSED
BUT NOT ORIGINALLY CLAIMED

We, Tetsuya Mizusugi, Kazunori Yuki, Mitsuo Tanaka, as inventors named in the application for Letters Patent on the invention entitled METHOD OF BENDING SHEET GLASS, Serial No. 08/548,418, filed in the United States Patent and Trademark Office on October 26, 1995, hereby declare that the subject matter of the amendment filed herewith, was part of our invention and was invented before the filing of the original application, above identified, for such invention; that we believe that we are the first and sole inventor or a joint inventor of the subject matter which is claimed as amended and for which a patent was sought.

ACKNOWLEDGEMENT OF REVIEW OF PAPERS AND DUTY OF CANDOR

We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the examination of this application namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

We hereby declare that all statements made herein of my own knowledge are true and that all statements made on

information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
